Image Alignment

In-line images can be individually aligned (vertically). Most of the values for "vertical-align" are supported: top, bottom, middle, baseline, text-top, and text-bottom. The default value for vertical alignment is baseline, and the default padding 0, consistent with most browsers.

These images  are  **top**  aligned 

These images  are  **text-top**  aligned 

These images  are  **bottom**  aligned 

These images  are  **text-bottom**  aligned 

These images  are  **baseline**  aligned 

These images  are  **middle**  aligned 

Mixed alignment

baseline: 

text-bottom: 

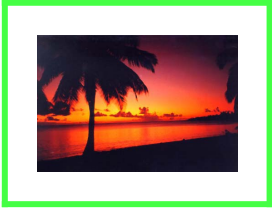

middle: 

bottom: 

text-top: 

top: 

Image Border and padding

Image padding is supported as well as border and margin. 

Rotated Images
